

## Exclusive Discounts for Your Office

As a dental plan created by dentists, SDC believes our network deserves **more**. That's why we've partnered with DDS United, a group purchasing organization that creates buying power for independent practices, to give SDC network participants access to exclusive savings.

DDS United negotiates special pricing on dental supplies, labs and equipment, offering discounts of up to 30% with an average savings of \$50,000 per year. As a value-added benefit to our network, participating dentists and specialists get **even deeper discounts** beyond the negotiated pricing.

- **Save up to 30%** on purchases from over 25 key vendors, including: Dental City, Premiere 1 Dental Laboratory, Kerr, 3M, Straumann, ClearCorrect, CareStack, Rectangle Health, and others.
- Enjoy **exclusive pricing** on labs and equipment from other vendor partners.
- Get access to **CE courses** hosted by SDC and DDS United.
